Work Experience

Sept. 2025 - Present

TSM | IT Team Manager & Project Operations
Nortal | ServiceNow Team

Lead ~40 IT professionals across 14+ countries on the ServiceNow account. Own project reporting for ~10 teams, redesigned onboarding (from ~6 to ~3 weeks) and drive AI-enabled delivery management.

April 2024 - Sept. 2025

Senior Project Manager
.Monks | YouTube Team

Managed ~15 concurrent email campaigns for YouTube, coordinating Developers, QA and Design through the full lifecycle in a zero-error environment reaching millions of users.

March 2023 - April 2024

Mid-Level Project Manager | Web & Email
VML | United Airlines Team

Led web releases and bug fixes for United Airlines' loyalty portal and managed 15 to 20 concurrent email campaigns, coordinating Development, QA, Design and stakeholders.

Dec. 2020 - March 2023

Digital Project Manager | Marketing & Web
Snappy Commerce

Managed marketing and digital projects end to end with an OKR-driven approach, leading a cross-functional team of ~7. Built the SEO strategy from scratch and led the full website rebranding.
